Mission of the Cattaraugus County Land Bank Corporation

The mission of the Cattaraugus County Land Bank Corporation (CCLBC) is to restore and build value in the community by returning underutilized properties to dynamic and productive use, preserving and creating quality housing, enhancing the quality of life within neighborhoods, and encouraging private sector investment in cooperation with stakeholders who value responsible land ownership.

The primary objective of the CCLBC is to proactively address distressed properties and intervene in the cycle of blight that threatens otherwise vibrant neighborhoods within the towns, villages, and cities across the County. Acting as a strategic partner with local governments, the CCLBC will accomplish this by:

- Lessening the burden on local governments within the County by strategically acquiring, developing, improving, assembling, and selling distressed, vacant, abandoned and/or tax delinquent properties, which will
 - return improved properties to the tax roll and productive use
 - increase homeownership and affordable housing opportunities
- Combating community deterioration and urban decay caused by vacant, abandoned, tax-delinquent, and tax foreclosed properties by taking remedial action to eliminate the physical, economic, and social causes of such deterioration
- Planning and implementing programs, projects and activities designed to create or stimulate economic and community development
